

British Legation,

HAVANA.

31st March, 1938.

4- ABR 1938

Dear Sir,

I have received your letter of the 26th January, together with the Medal struck by the Municipality of Havana to commemorate the centenary of the first railway in Cuba.

I wish to thank you for your kindness in transmitting this Medal, which I have very much pleasure in keeping, both as a souvenir of a most interesting ceremony and also of my stay in Cuba.

Yours faithfully,

*A. A. Grant Watson*

Señor Antonio Beruff Mendieta,
